## EXPERIENCE

**Journal Insights Solutions Pvt. Ltd. (Currently Working)**

**I have designed Journals Insights website.**

In my role at Journal Insights Solutions Pvt. Ltd., I specialize in HTML, CSS, and SEO, focusing on crafting visually appealing and user-friendly websites while optimizing them for search engine visibility. Additionally, I've had the opportunity to expand my skill set by learning PHP, MySQL, and Laravel within the company's supportive environment.

### ABOUT ME

I enjoy coding a lot, so I try to learn as many new things as possible so that my coding skills improve day by day. When I learn something new in coding, I work hard on it with all my heart and try to make myself perfect in it.
